Let's create

RSWELL, INFORMATION MANAGEMENT  
(ECM, BPM, SAP & IBM FileNet)

**RSWELL** leads the way in terms of innovation by attracting the most talented people. That is why we want the best and why we offer a range of different career opportunities depending on individual needs and aspirations. There are various ways you can join:

» **EXPERIENCES CANDIDATES.**

- SAP (Mainly Basic Administration & Authorization, Netweaver, ..etc), also in second term all modules. [sap.recruitment@rs-well.com](mailto:sap.recruitment@rs-well.com)

- ECM FileNET, Saperion (Consultants P8, Programmers FileNET Frameworks, Filenet Analyst Programmers). [ecm.recruitment@rs-well.com](mailto:ecm.recruitment@rs-well.com)

- JAVA & J2ee - (Only Programmers). [java.recruitment@rs-well.com](mailto:java.recruitment@rs-well.com)

» **NON EXPERIENCE CANDIDATES**

Successful applicants can access one of RSWELL' paid apprenticeships, combining theoretical study with extensive on-the-job training.

Whilst no previous work experience is required, students must be highly motivated and have a real desire to learn and work within an international environment.
