Let's create

RSWELL, INFORMATION MANAGEMENT
(ECM, BPM, SAP & IBM FileNet)

The **RS WELL** S.L with its headquarters in Madrid is one of the prominent consulting and software specialists for the optimization of business processes and systems integration with the emphasis on **ECM (Enterprise Content Management)** and **EIS (Enterprise Infrastructure Solutions)**.

Our service offer covers planning, development implementation, integration, enterprise and support.

We are expert on the standard Platforms and Applications such as **SAP** , **IBM FileNET**, **Saperion** and **Web** environments (**IBM WebShpere**, **J2EE**) for the setup of your solution or implementations; also we offer a set of our own products supporting special requirements.

We ensure the proximity to our customers through our presence in the most important urban centers in Spain; Madrid and Barcelona.

Our guarantee is our experience; our professionals were involved in projects in the following customers:

Accenture, Barcelona Water Company, Axa, Bayer, Dabis System Haus, Dasa, Daymler, - Eads, Basque government of Guipuzcoa, Caixa Insurance, Energy of Portugal, Endesa, Ericcson, Europcar, Ferrocarrils de la Generalitat, Helvetia, Henkel, Iberdrola, Novis-Optimus Portugal, OHIM (European Agency for Trade marks and designs), Orange, Pemex (Petroleos Mexicanos), Qatar Petroleum, Vodafone ... etc.
